

## **Statement pursuant to Section 54(6) of the Modern Slavery Act 2015**

Connect Health Group Limited and its subsidiaries are an independent provider of healthcare services and solutions to the NHS and businesses throughout the UK with a workforce of circa 1000 people. we are improving the health and wellbeing of communities, working together to deliver the right patient care, in the right place and at the right time. We are a delivery partner our customers can trust. Our aim is to enable everyone to live healthy and active lives by engaging and empowering people. As an ethical business we are fully aware of our responsibilities to our patients, colleagues, and service users, and have a zero tolerance towards any acts of human trafficking and/or modern slavery. We assess the risk of modern slavery and/or human trafficking playing a part in our business as extremely low.

### **Our Assurance**

To mitigate the risks in our business and supply chain, we:

- complete thorough and appropriate pre-employment checks on all our employees and we mandate all agencies we use to do the same, we regularly audit both internal and external processes.
- support our whole workforce to be alert and report any concerns about slavery and/or human trafficking at the earliest opportunity by taking personal responsibility.
- ensure all our employment practices, comply with all relevant laws and regulations and respect Equality, Diversity and Human Rights.
- have robust training, processes and policies relating to the safeguarding of children and adults.
- maintain a detailed procurement policy which sets out the framework and approval levels for selecting suppliers to work with, assessing them on items such as CSR, ISO9001 and Information Governance
- assess each new prospective supplier through our prequalification questionnaire asking them to explicitly confirm their adherence to the Modern Slavery Act 2015.
- only trade with suppliers who share our values and have ethics and sustainability as essential prerequisites - we choose our suppliers carefully and build long standing relationships where possible.
- undertake periodic supplier appraisals of existing suppliers to assess their performance against contract SLAs, quality, and compliance to gain assurance that they continue to be a valued partner.

### **Our Commitment**

The Connect Health Board and Senior Team have considered and approved this statement and will continue to support the requirement of the legislation.
